"KCR" most commonly refers to Kalvakuntla Chandrashekar Rao, an Indian politician who served as the first Chief Minister of Telangana from 2014 to 2023 and is the founder and leader of the Bharat Rashtra Samithi (BRS), a regional political party; he played a pivotal role in the Telangana statehood movement. Alternatively, in a sports context, KCR can stand for the Kansas City Royals, a Major League Baseball team based in Kansas City, Missouri, while in Hong Kong, it historically refers to the Kowloon-Canton Railway, now part of the MTR system. Without more context, the political figure KCR is the most prominent meaning, but if you had a specific KCR in mind—say, an organization or term—let me know, and I'll refine the explanation!
