Kalvakuntla Chandrashekar Rao, commonly known as KCR, is an Indian politician and the founder of the Telangana Rashtra Samithi (TRS), a regional political party in Telangana. Born on February 17, 1954, in Chintamadaka village, he began his political career with the Indian National Congress before joining the Telugu Desam Party (TDP). Dissatisfied with both parties, he established the TRS in 2001 to champion the cause of a separate Telangana state. KCR played a pivotal role in the Telangana movement, leading to the creation of India's 29th state on June 2, 2014, and subsequently became its first Chief Minister. Under his leadership, TRS has won multiple elections, and KCR has implemented welfare schemes like free electricity for farmers and pensions for vulnerable groups. While credited with transforming Telangana, he faces criticism for alleged authoritarianism and promoting family rule, with his son K.T. Rama Rao and daughter Kavitha Kalvakuntla being key political figures. Recently, KCR has expressed ambitions to influence national politics by forming a Federal Front to challenge the BJP and Congress.
